

Uveitis Support | Canada is a nonprofit, public charity established in 2005 by the Alberta Uveitis Society. Our mission is to educate patients, their family members and friends, and the medical community about ocular inflammatory disease and to facilitate the exchange of information, emotional support, and mutual aid between members. We are also deeply committed to raising funds to support research into the causes and effective treatment of uveitis. Our programs and resources are free.

SUPPORT MEETING

This is a support and information meeting for patients with uveitis or other ocular inflammatory illness, their friends, family members, and health care providers.

November 15, 2007 ~ 7 p.m.

CNIB ~ 15 Colonel Baker Place, NE ~ Calgary, Alberta T2E 4Z3

All are welcome. The meeting is free. Come and meet others.
Refreshments will be served.
